Green Levy Request – Water Truck and Reusable Water Bottles (Khouzam)

Joyce Khouzam presents a green levy request for a water truck and reusable water bottles for Orientation Week.

Persia: I think we shouldn't consider option 3. It is very cheap and might not even come in time.

Hibma: I think we should go with quote 2 as it will show more appreciation to our volunteers. We should be using this money on the students who are paying into the levy. I have no objections with paying for the more expensive bottle

Persia: With the extras we will be able to do more with them. Nicer bottles can be used as prizing or other uses throughout the year.
