Green Levy Request

Hibma presents a Green Levy request for supplies for a moccasin workshop in conjunction with Aboriginal Student Services. He is asking for up to \$2500 for supplies for up to around 40 people. It will also double as an information event that helps us strengthen our relationship with Aboriginal Student Services.

Persia: How will this be marketed?

Hibma: We will have a sign up and market it the same as our other events in conjunction with the department

Nicoyishakiye: I am in favour of supporting this and hopefully supporting additional workshops

Hibma: Their budget is very low so they cannot offer it to as many people as they would like. This will give us the opportunity to allow them to expand the service. I am also hoping to come back for some winter jackets for the students who are in Manioutin.

Castano: Will the workshop be free for students?

Hibma: Yes

Persia: Can we ask for food donations?

Hibma: Yes, we can definitely do that

Hilson: This will be open to all students?

Hibma: Yes

Persia: Can we approve for next semester now as well?

Hibma: I think that is a great idea as it shows that we are trying to build the relationship

Nicoyishakiye: They will be leading the workshop?

Hibma: Yes, they will bring their team

BIRT Board approves \$5000 from the Green Levy to provide supplies for two moccasin workshop, one each semester
