**Frost Week**

*Khouzam presents a request for the Frost Week concert*

**Khouzam:** Looking for an artist for our Frost Week concert. We have an artist in mind and would like to put forward an offer.

**Castano:** Will students have to buy tickets?

**Khouzam:** Yes, Frost Week will be the second week back in January and we are looking to have the concert on the Thursday. We will be selling the tickets and we are looking to also include a swag package. Will cost a total of 20-25k

**Hilson:** The last production cost was between 4-4.5k for a Frost Week concert.

**Khouzam:** Will look to sell about 500 tickets. We will lose some money on this but we will still charge students around \$30 a ticket

**Nicoyishakiye:** What will be included in the SWAG package?

**Khouzam:** We are hoping to have a t-shirt to go with the concert. Will have smaller events throughout the week

**Hilson:** There is not a lot of left over swag from O-Week.

**Hibma:** We will move forward with planning ticket prices and swag packages once we have a signed contract

**Nicoyishakiye:** Seems like you have an idea of a plan for absorbing some of the costs

**Castano:** Would like to see a final plan once an offer is accepted.
