Julia wood gave a rundown of the hours for the part time summer jobs. The Advocacy jobs will have a 100 variable capped hours, starting in September it will be 20 hours in the school year. Green spoke about what will happen based on the referendum, if Clubs Levy passes there will be the creation of a clubs manager and the clubs coordinator position will remain. If it does not pass, there will be no clubs manager and we would have both a clubs coordinator and clubs coordinator assistant. Haidon asks about the responsibilities of the safety coordinator and why the hours were reduced. Greener explained that the safety coordinator is primarily responsible for ensuring peoples safety at O-week and the weekly clubs night. Julia also spoke about the proposed increase hourly wage for the coordinators from \$12/hour to \$12.40/hour
